Brand 2023

## Who we are?

**CHOCOLAND a.s.** is among the leading producers and distributors of confectionery and food semi-finished products on the Czech and Slovak markets. It builds on the more than a hundred-year tradition of food production, which today takes place in a modern plant in Kolín.

The wide assortment includes chocolate creams, chocolates, soy and coconut bars, candies and a really wide range of seasonal candy - for Christmas, Valentine's Day and Easter.

In addition to its own products, CHOCOLAND distributes sweets to renowned foreign producers on the Czech and Slovak markets and offers its customers a complete portfolio of sweets. Want to learn more? Click on the online catalog CHOCOLAND works closely with its customers, and develops a variety of products in collaboration with individual retail chains and other customers who require innovations, customized recipes, or exclusive products. The result is a wide family of sweets delivered under the private brands of customers all over the world.

Our strategy is to deliver high-quality food products to the market, respecting modern trends in nutrition and consumer habits. Both the management of the company and the Development Department are constantly monitoring the quality of their own production and the latest trends in the food industry. The result is products that provide customers with superior quality and affordability. Quality certificates are available for download here. Click to download documents.

Our major customers include large foreign chains, domestic retail networks and independent wholesalers. Products target customers under their own trademarks Chocoland or Dianella, imported by Sorini or The Belgian, as well as under private labels. Besides the largest European chains, private label customers also include multinationals such as Nestlé.

Indeed, we have important business partners abroad - not only do we export products to EU countries (Germany, Italy, England, Portugal, Sweden, Lithuania), but also to other countries (USA, Canada, Japan, New Zealand, ...).

## Which brand is the most important for us?

Which brand is the most important for us? Of course, the one whose name our company carries - CHOCOLAND. It symbolizes everything that is important to us - a chocolate land full of pleasant flavors, aromas and experiences, a place where the centuries-old tradition of production meets excellent ingredients and, thanks to the experience of our experts, turns into unique products. Under the CHOCOLAND brand, you can find a wide range of sweets on store shelves, ranging from fine Crema cocoa and hazelnut creams to the delicious bars of the elegant Jsem sladka concept... (Madam, Coffee, Chestnut or Sweet) to the luxurious Mucha candies. Seasonal candies are another area of CHOCOLAND brand products. Whether it is Christmas or Easter, you are sure to find our products in homes - chocolate figurines, advent calendars, Easter Eggs, and festive packages. We are delighted with the idea that our products will please you not only on weekdays, but also for the holiday season throughout the year.
